Warrior 3 Twisted Wide Leg

Triangle Half Seated Twist

Pro Tips

#1: FOCUS on WHOLE BODY, HICT (High Intensity Circuit Training) that incorporate all three fitness macros simultaneously with short rests.

#2: Workout nutrition - Try a combination of FASTING workouts don't eat anything till AFTER you have exercised. This assumes you would be able to exercise in the morning. And FEASTING workouts sip on protein shake mixed with sugar free electrolyte blend like Ultima mixed in Coconut Water DURING exercise.
